Our JCA Virtual Walk Good Walkathon 2020

Will be hosted by none other than Charles Matthews of CMJ Entertainment

If you don't know the face, you quite likely are familiar with the voice of Charles Matthews, former co-host of CHRY 105.5 Fm's 'Radio Dubplate'.

And now the host of his new Podcast show The Charles Matthews Show... on Facebook.

Today, Charles references the best of his backstage and onstage experience to exceed client expectations so they never have to worry about the quality of the outcome of their event,

Charles' sharp mind for detail, natural sensitivity to capture client's vision and the wit and tact with which he takes ownership of and executes a project distinguishes him a cut above the rest among boutique event planners.

Charles' company CMJ Entertainment has won the People's Choice Awards for Event Planner of the year 2018 and 2019.

But he is most proud of his 2019 volunteer award for Camp Jumoke kids living with Sickle cell Disease.

What's more Charles' generosity, sincere and friendly persona endears him to audiences of one or one million!

Please welcome Charles Matthews Junior of CMJ Entertainment.
